

Call for abstracts
4th European Sustainable Phosphorus Conference (ESPC4) and
5th Phosphorus in Europe Research Meeting (PERM5)
20 – 22 June 2022

<https://phosphorusplatform.eu/espc4>

Submission deadline: 30th November 2021.

1) Presentations for parallel sessions (10 minutes)

Proposals should address one of the following parallel session themes (see programme online):

- Policy tools and business models
- Climate change links to phosphorus management
- New fertilisers for nutrient sustainability
- P-recycling R&D and new technologies
- Regions in action for phosphorus sustainability

There is no fee to submit abstracts. Selected speakers benefit from the reduced rate conference registration fee.

2) Posters

Can be on any of the themes above (1-2) or on any other theme relating to phosphorus in different applications, phosphorus recovery or nutrient recycling, nutrient sustainability, environmental impacts of nutrients, nutrients and climate change, fertilisers, eutrophication, relevant public policies or business models or societal trends ...

Posters will be displayed in the conference room and/or lunch/breaks area. There is no fee to submit abstracts. Selected posters do not benefit from the reduced rate conference registration fee.

To candidate a presentation or poster, please send by email a 1- page WORD document including (in this order, in English):

- *Specify if proposed for presentation or for poster – ARIAL 11 italic*
