

Fri. 27 November 2020

ESPP General Assembly & stakeholder workshop Nutrients in the EU's Farm to Fork policy

<https://www.eventbrite.co.uk/e/nutrients-in-eu-farm-to-fork-policy-tickets-127743595533>

9h00 – 10h30 CET: Nutrients in EU Green Deal policies: from objectives to actions

Each speaker = 5 minutes presentation then 5 minutes questions and online discussion/chat. Questions will be via 'chat' for all registrants, with open dialogue between all participants in the chat. Oral discussion, based on these questions, will be with the speakers plus a small selection of invited experts / stakeholders from ESPP's international network ('panellists', see below)

Context:

- **ESPP**, nutrients in EU Green Deal policies: raw materials, agriculture, health, circular economy, R&D
- **European Commission** (tbc), nutrient objectives in Farm-to Fork and the Integrated Nutrient Management Action Plan, implementation in the CAP (FaST)
- **European Commission**, (tbc), support for nutrient stewardship and recycling in Horizon Europe
- **Scientist's view of policy needs**

Industry and stakeholder positions:

- **Fertilisers Europe, Tiffanie Stefani**, the mineral fertiliser industry's response to the challenge of nutrient sustainability
- **Organic fertiliser industry**, how organic fertilisers and biostimulants contribute to agronomic nutrient stewardship
- **Phosphate chemicals industry**, added-value and sustainability of phosphate food additives
- **Water industry**, nutrients in EU water policy, ambition and implementation
- **Food industry**, is dietary choice the key driver for agricultural nutrient use?

Panellists: diet and nutrient policy scientists, farmers organisation, environmental NGO:

- Adrian Leip, European Commission JRC
- Liisa Pietola, MTK (Finland The Central Union of Agricultural Producers and Forest Owners)
- Jessica Stubenrauch, University of Rostock, Faculty of Agricultural and Environmental Sciences
- Penelope Vincent-Sweet, European Environment Bureau
- Harm Smit (tbc), Netherlands Government, Ministry of Agriculture
- to be completed

11h30 – 12h30 CET:

preparation of input to the Integrated Nutrient Management Action Plan

Discussion to finalise draft document (see here <http://www.phosphorusplatform.eu/regulatory>) to be submitted to the European Commission

- Integration and implementation
- Data, research, demonstration
- Links to climate policies
- Nutrient recycling, organic carbon, contaminants
- Agriculture and food
- Regulatory, fiscal and market tools
- ...

14h – 15h30 CET: ESPP formal General Assembly
